Cohen & Company Named “Best Accounting Firm to Work For” in Nation

Local Firm Honored for Third Consecutive Year

CLEVELAND, Ohio -- Cohen & Company has been nationally-recognized as one of 2010's "Best Accounting Firms to Work For" by *Accounting Today* and Best Companies Group. This is the third consecutive year the firm has been honored in the medium-size firm class.

Dedication to its employees and an impressive company culture are both key to the overall business strategy of the firm and to its employees' happiness.

"Our people mean everything to us," said Randy Myeroff, president & CEO of Cohen & Company. "We make certain they receive superior technical training in a collaborative and fun work environment. We also empower individuals to grow their careers within the firm. When our people are motivated and satisfied — and truly enjoy their work environment — we know our clients will be very happy with the level of service and quality they receive."

The *Best Accounting Firms to Work for* list is made up of a total of 100 companies nation-wide, split into three groups based on size. The two-part survey process includes an evaluation of Cohen & Company's workplace policies, practices, philosophy, systems and demographics, and an employee survey to measure the employee experience.

This program was created by *The Accountants Media Group*, publishers of *Accounting Today*, *Accounting Technology*, *CPA Wealth Provider*, *Practical Accountant* and host of *WebCPA.com* and Best Companies Group to recognize the best firms to work for in the accounting industry.
