Cohen & Company Named to Inc. 5000

Recognized as One of America's Fastest-Growing Private Companies

CLEVELAND, Ohio – *Inc.* magazine has once again named Cohen & Company to its 2011 *Inc.* 5000 list of the nation's fastest-growing private companies. The list represents a comprehensive look at the most important segment of the economy—America's independent entrepreneurs.

"Our firm embodies the spirit of the entrepreneur," said Randy Myeroff, president & CEO of Cohen & Company. "We are not only entrepreneurs in our own right, but we also work exclusively with entrepreneurs and private businesses to help them be successful. We are in a fortunate position to 'pay forward' to our clients the same type of passion, energy and technical skill that has made our own firm so successful."

About Inc. 500

The 2011 Inc. 500 is ranked according to percentage of revenue growth when comparing 2007 to 2010. To qualify, companies must have been founded and generating revenue by March 31, 2007. Additionally, they had to be U.S.-based, privately held, for profit and independent—not subsidiaries or divisions of other companies—as of December 31, 2010.
