Cohen & Company Selected as a 2010 NEO Success Award Winner

(Ohio) Cohen & Company has been awarded the 2010 NEO Success Awards for being one of the region’s top-performing private companies. The NEO Success Award winners represent the breadth and depth of businesses in Northeast Ohio. “We are grateful to our clients and employees for being the foundation to our success. We know that without great clients and a staff that is so committed, we would not be recognized for such a notable award”, said Randy Myeroff, President & CEO of Cohen & Company.

Cohen & Company’s business model encompasses traditional accounting services as well as four ancillary business units. It’s a model that has supported both the firm and Northeast Ohio by funneling revenue from other parts of the country to our region.

The NEO Success Awards were established in 1995 as a way to showcase the success of businesses in our region. The NEO Success Awards are unique in its combined measurement of business success in sales, growth and profitability.

Cohen & Company is a regional CPA firm that works with entrepreneurs and private enterprises to help them reach their goals. In addition to a full range of accounting and tax services, Cohen & Company specializes in a number of advisory services including strategic planning, business valuations, mergers & acquisitions, financing, estate planning and wealth management.
