Cohen & Company Named to 2010-2011 Weatherhead 100

CLEVELAND, Ohio -- Cohen & Company was once again named to the Weatherhead 100, a list designating the fastest growing companies in Northeast Ohio. This award is highly regarded in the region and is a testament to the hard work, commitment and innovation of the entire Cohen & Company team.

“We work hard to be successful for our clients and our employees,” said Cohen & Company’s President and CEO Randy Myeroff. “This recognition means even more to us this year in light of the economy’s ongoing challenges. Being named a Weatherhead 100 company tells us our strategy is working and we are making an impact on the region.”

Cohen & Company’s business model encompasses traditional accounting services as well as four ancillary business units. It’s a model that has supported both the firm and Northeast Ohio by funneling revenue from other parts of the country to our region.

The Weatherhead 100 was crafted in 1987 and has been compiled and managed by the Council of Smaller Enterprises (COSE) since 2004.

Cohen & Company is a regional CPA firm that works with entrepreneurs and private enterprises to help them reach their goals. In addition to a full range of accounting and tax services, Cohen & Company specializes in a number of advisory services including strategic planning, business valuations, mergers & acquisitions, financing, estate planning and wealth management.
